**Human for All Seasons:
A Life Stance Perspective
on Science and Democracy**

2025 International Humanist Conference

From Awareness to Action:

Strengthening Open Societies through Scientific Literacy

HUMAN FOR ALL SEASONS

HUMAN FOR ALL SEASONS

Following the seasons, the week, the day, the rhythm of the day — and the range of human emotions and life's many phases.

Places, science, reflections, fiction, theatre, stories, people, poetry, music, songs, and philosophy — all offering inspiration from a humanist perspective.

A blend of antiquity, recent history, and the present — from all parts of the world.

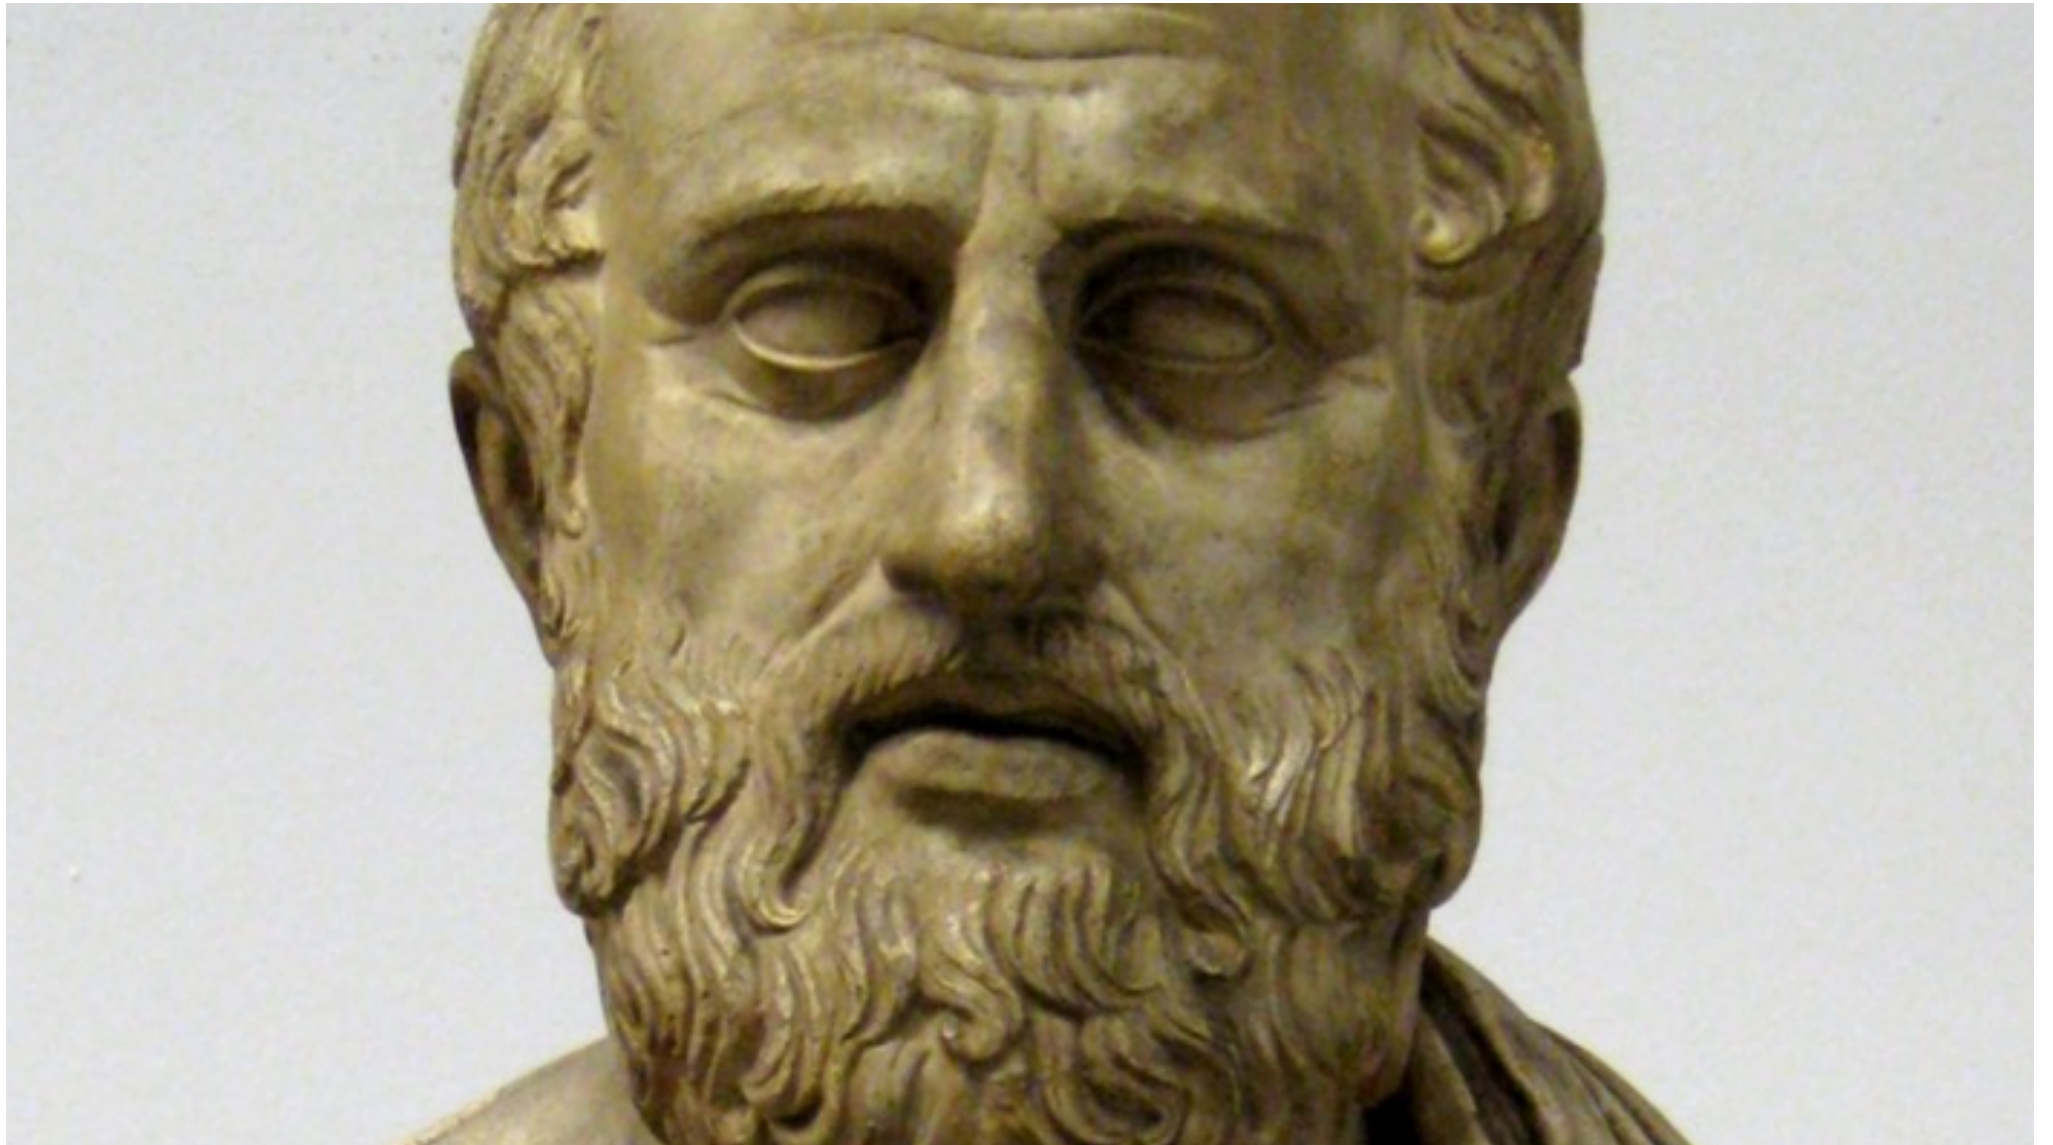

HUMAN FOR ALL SEASONS
